Re: Lyndon LaRouche Political Action Committee
Year End Report (7/01/05-12/31/05)

Dear Mr. Morse:

Filed with this letter is an amended year-end report clarifying expenditures for "organizing services" and "room rental" as requested in your March 24, 2006 letter. LaRouche Youth LLC seeks general public support for LaRouche PAC's public policy proposals, distributes LaRouche PAC literature, and lobbies Congress and others to support these policies. We believe the description in the amended report describes the services provided by this entity.

Please note that none of the expenditures referenced in your March 24, 2006 letter inclusive of the chart labeled "Apparent Public Communications/Voter Drive Activity Purposes" involved expenditures in support of any federal candidate or in opposition to any federal candidate.

Please let me know if I can be of further assistance.

Very truly yours,

Barbara M. Boyd
